'The Hearing List' is a SC Upstate Film Community contest (criteria based) film about a man that makes a list of his top ten sounds which he looks forward to hearing again after the surgery. The doctors place a smart-phone based device in his head to help his hearing. Afterwards, while sitting in the park listening to the birds, he comes across a young mischievous boy. The boy desperate to play video games, takes the man's phone as the he sleeps on a park bench. The man wakes up in confusion with loud games sounds filling his head. A chase across the city of Greenville, SC is observed as the chaos continues from place to place. a5c7b9f00b
